

CERTIFICATE OF ANALYSIS

Certified Natural Vita Talalay
Natural Vita Talalay Origins

Firm name Radium Foam BV
Fort Willemweg 61
6219 PA Maastricht
The Netherlands

Test method Natural rubber share: FTIR - Shimadzu IR-Affinity 1S
Ash: Muffle Furnace

Ref Testreport 20200723

Valid until 06-10-2021

The test results show that sample contains only natural latex and contains no fillers. The filler content is calculated as the difference in amount of ash and zinc oxide, assuming that the maximum of zinc oxide is less than 5% of the total latex foam.

	Natural Rubber share	Styrene-Butadiene Rubber share	Ash content / share	Filler content / share
Natural Vita Talalay	97%	0%	3%	0%
Natural Vita Talalay Origins	96%	0%	4%	0%
